

Minnesota Artists Association Newsletter - October 2011

Those who attended the September meeting enjoyed good food and camaraderie with their fellow artists. Show and Tell included Marilyn Brown sharing her 18 paintings that are illustrations for a children's book and others showing what they painted this summer.

October Meeting

Our next meeting will be Tuesday, October 18, 6:30-9:30 p.m. at the Bloomington Art Center. Judy Lieber will be sharing her secrets of how to make a good caricature and then we will all try our hand at it. Bring lots of sketch paper and a 6B pencil to draw with. It should be a lot of fun! If you want to come to the meeting but don't like to drive at night consider car pooling with a fellow member.

Last Summer Paint Out

The last paint out of the summer will be on Saturday, October 10 in Hastings. Many thanks to Jeanne Emrich for organizing the paint outs.

The entry form for our Fall Members Show at the Colonial Church in Edina is included with this newsletter. Please have the entry form sent in by November 1 and include what you will be willing to do to help with the show. Members of the church will help with the hanging but we will also need help from some of our members. We also need volunteers to bring food or punch for the reception. Thanks in advance for your help!

Board Members:

President, Vice President, Newsletter Editor: NEEDED
Treasurer and Membership: Diane Gilbertson
Programs: Judy Lieber
Publicity/Brochures/Summer Paint Outs: Jeanne Emrich
Website: Emmy White
Exhibition Chair: Marjorie Moody

Marjorie Moody has been doing the Newsletter with the help of Jack O'Leary but it would be great if someone wanted to fill that position. Marjorie would also like to have help finding exhibition space for 2013 & 2014. We need to line up these shows 2 years in advance nowadays. Please send me your ideas! At the last meeting it was decided to waive the membership fees for the board members because of their service to the group. **Please consider volunteering on our board!** It's a fun group of people to work with! I have been more or less acting as President so if someone wanted to start out as Vice President that would be great. Being a board member is a 2 year commitment, but many of our board members have been doing their jobs for several years. Since MAA is the oldest arts organization in Minnesota and has such a rich history we want to keep it going!

Member News

Art Attack at the Northrup King Building in Northeast Minneapolis is a fun event to attend. There are over 100 artists in the building including MAA members Rita Corrigan (Studio 392), Marjorie Moody (Studio 392) and Emmy White (Studio 321).
