MINNESOTA ARTISTS' ASSOCIATION / SINCE 1937

*The First all Media Art Organization in Minnesota*

## *Artist in Residence*

MAA member, **Harriet Lievan** was awarded an art residency at The Hubbell Trading Post National Historical Site which offers a program to continue the artist partnership with the trading post begun by J. L. Hubbell .

In 1878 the Hubbell Trading Post was located a mile from Granada , Arizona 55 miles from Gallup New Mexico where now it is a historical site. She was drawn to apply for the residency because the accommodations would be in the stone guest-hogan built in 1934.

At the **MAA** meeting she will be talking about her 2 week residency in May, 2009.

*January Program*  
*Tuesday, January 19th*  
*Bloomington Art Center*  
*6:30 to 9:00 p.m.*

**Minnesota Artists Association needs a member to volunteer to be our Vice President. Please consider helping out!**

*We have a great group of members serving on our board. Serving on the board is not such a hard job. Others are willing to help out new board members. Please call me if you are willing to be V.P.*

*One of the things we need to consider as a group is how to grow our membership. We gained quite a few new members in 2009*

*and it would be good if we can continue that this year. Who do you know that would like a diverse art community?*

*Are there young artists that we could invite to mentor? How can we better help other artists find us?*

*Give me a call!

President*
