## FALL EXHIBITION

*By John Williams*

*You still have time* to see our wonderful Fall Exhibition at the Café Gallery at Bethesda Hospital. The show is there until Nov 29th.

**Artists who have paintings in the show must come between 9 and 10 a.m. On November 30th to pick up your paintings.**

We want to give special thanks to **Marjorie Moody** for all her help to make this exhibit successful. Her contact with **Nancy Apfelbacher** and **Barbara Piotrowski**

We also want to thank **Nancy & Barb**, because they donated their jurist fee back to **MAA**!

The gallery is a very nice space with quality lighting to show off our art, and tables to accommodate socializing with food at our opening. Attendance was very good with about 40 people to view the show and hear the jurist's comments.

Some of the comments made by Nancy about paintings chosen for awards were: "beautiful impressionistic quality. Healing.

The going global collage made her happy, the antique lamp light hit the leaves giving a feeling of grandma, the harlequin had lovely fancifulness and a happy outlook, Bryce Canyon shows beautiful realism and she loves how the paint was handled, the impressionistic garden was a delight. See the winners on page 3.

Minnesota Artist's Association **needs your help** to secure sites for future exhibits. If anyone has a friend, or has an 'in' to any place that we can Exhibit.....

## ***November Program***

During the last year our most popular programs have been those where we have a presentation and members participate by creating art together.

This month, Judy Lieber & Sylvia Rudolph, both caricature artists, will each demonstrate their particular way of working! Then a few members will volunteer to be models for you to draw. You can make it a caricature or a serious drawing, whatever your pleasure.

Bring whatever you would like to use for your creation. As simple as paper and pencil or bring your paints. You could even bring some clay and make a little sculpture. Playmate come out and play!
